YOUR INSURANCE PARTNER

TRADEvantage insurance pack

All the coverage you need at a price you will like.

We ran the tape measure over our trades and subcontractors liability and tools package and have come up with great savings.

Public Liability & Tools of Trade, two great products at one great price.

Simplified insurance that gives you instant coverage.

- No fuss coverage that's easy to arrange over the phone.
- Tools of Trade cover is for full replacement value, with 24 hour, 7 day week broad accidental damage and theft cover.
- Product / Public Liability cover available at the coverage level of your choice.

So why not put us to the test and call to see how we measure up.
