## MANAGING YOUR BUSINESS IN TOUGH TIMES

Trade Nights are a great opportunity to network and gain knowledge in the building industry. You are encouraged to attend HIA's North West Branch Trade Night, generously hosted by the new Bunnings Trade Centre in Somerton.

Bunnings Trade Centres are open to trade professionals and are specifically suited to the needs of builders operating in both residential and commercial marketplaces. The Trade Centres offer customers a delivered-to-site service and a large, easily-accessible, undercover drive through. With a team dedicated to meeting trade requirements, the new Bunnings Trade Centre allows builders and contractors to save time and focus on the job.

### Guest Speaker – Miles Primrose

**Miles Primrose from Business Sight** heads a team which runs Business Building sessions, workshops and mentoring specializing in helping business owners become **“as good at business as they are at their trades”**. Miles will focus on key areas to address during uncertain times.

Generous door prizes will be donated by Bunnings Trade Centre and Business Sight.
