This is Peninsula Branch's first event for 2009 and the new format has been designed and created so that members have the opportunity to network with likeminded people and gain knowledge in the building industry. It's also a way for HIA communicating with our members about new regulations and opportunities.

Enjoy this early evening summer format, held outdoors in Marques with outdoor stalls from building & hardware stores from the Peninsula area and BBQ provided all for your benefit. The event is generously sponsored by Peninsula Nissan, Eco-Smart, Ace Gutters and Aussie Bladda Tank.

SPEAKERS

Miles Primrose – Business Sight

Miles Primrose heads a team which runs Business Building sessions, workshops and mentoring specializing in helping business owners become "as good at business as they are at their trades". He will present on how to manage your business in tough times.

Paul Ferguson– HIA Assistant Director Workplace Services

Paul will present on handover and follow up processes and will examine the rights and responsibilities involved with claims.
