\*If you require further dates or courses please contact HIA Training Services.

\*Builder Licensing Units #HIA delivers these units, in conjunction with the Australian Institute of Technology Transfer (AiTT), under the Australian Qualification Framework, and as such, this course is a nationally recognised qualification. On successful completion, students will receive a Statement of Attainment issued by AiTT (RTO No.50834)

\*\*Course dates are accurate at time of printing, but are subject to change. Please also check our website [www.hia.com.au](http://www.hia.com.au) for more course information. For your own reference we suggest you read HIA's Student Information Kit prior to attending any of our courses. The Information Kit is available on HIA's website (<http://hia.com.au/Training.aspx> then select "Enrolment Information") or can be posted on request.

Recognition of Prior Learning (RPL): RPL enables participants to receive credits towards programs if they have completed other relevant training or have relevant life or work experience. Credit transfer applications require the provision of an academic transcript while RPL applications require a formal interview/assessment. Applications must be lodged with the Training Department prior to course commencement date. HIA's RPL Fee's are 50% of the full unfunded course fee. A minimum of \$60.00 will be payable however, if 50% of the full unfunded course fee is less than \$60.00. Participants seeking more information or intending to lodge an application should contact the Training Department on 08 9492 9250 for an information pack.

Prices displayed are subsidised by the Construction Training Fund. For non-subsidised prices please contact HIA Training. All courses are subsidised by the Construction Training Fund (CTF). Member and Non Member prices are CTF Subsidised. We would like to acknowledge the Board's continued support of skills development in the building & construction industry.

For information on any courses including prices, location and to register your place please contact HIA Training Services on 9492 9200 or email [wa\\_training@hia.com.au](mailto:training@hia.com.au)
