HIA Apprentices Perform Strongly at Annual Awards

Three apprentices employed by the HIA Group Training Organisation were recognised at the 2017 Construction Industry Training Council (CITC) Graduating Apprentice Awards.

HIA Executive Director for the ACT and Southern NSW, Greg Weller, offered congratulations to all three and their host employer Canberra Commercial Contractors.

“The CITC awards celebrated its fifteenth year in 2017, and continues to prove a wonderful opportunity to recognise the achievements of apprentices in the building and construction sector in the region,” said Mr Weller.

HIA graduating apprentices recognised at the awards included:

Bennett Cruikshank	Certificate of Excellence in Carpentry
Neil Ingram	Encouragement Award
Benjamin Sheard	Encouragement Award

“HIA employs hundreds of apprenticeships across Australia through our group training scheme, and it is fulfilling to see a number of our apprentices and their hosts acknowledged for their dedication to work and furthering their education.”

“We wish Bennett, Neil and Benjamin the best for a successful career in the building industry.”
