HIA Hunter Executive Director Craig Jennion said "Whether you are planning to renovate or build, a first home buyer, investor or someone looking for inspiration, attending the HIA Building & Renovation Show on the **18 May** is a must, and it's **free to enter**".

"The HIA Building & Renovation Show brings together a sensational group of exhibitors to showcase the latest trends in renovation, building, home improvements and outdoor living" he said.

The event will also feature live product demonstrations and for visitors seeking expert advice, the HIA Ask an Expert area will feature free consultations with leading HIA members including an Electrician, Builder, Bathroom Renovator, and Interior Stylist. Visitors simply need to arrive and make an appointment at the Show, but don't forget to bring your plans, a notepad and your ideas.

The Show has always been a family-friendly event and this Show will be no different with live entertainment by musician Lili Crane and lots of free children's entertainment including a jumping castle, and special guest appearance by Prime Possum.

Other features at the Show include seminars and demonstrations by centre exhibitors, all day Colour Consultants compliments of Bristol and pop up lifestyle shops. Mr Jennion said "with the diversity of exhibitors and experts available, attendees will be able to compare products and services from an enormous range all under the one roof."

All your food and beverage needs will be covered with a Lions Club barbecue, with all proceeds donated to the charity, along with food by Newy Burger Co, Cup Cake Espresso and a fresh coffee van onsite".
