Brynor Constructions win HIA Eastern Victoria Home of the Year for second year running

The best builders from Mornington Peninsula and Gippsland recognised at 2020 HIA Eastern Victoria Regional Housing Awards

For the second year in a row, Brynor Constructions was won the prestigious HIA Eastern Victoria Home of the Year award.

Announced with an online broadcast on Thursday 3 December 2020, the Mornington Peninsula-based builders won the award for a stunning custom-built home in Blairgowrie. HIA's judges praised the home as an "architectural masterpiece", "built to a very high standard" and "simply spectacular".

The expansive home boasts an abundance of natural light. The layout flows beautifully, and the incorporation of sympathetic materials such as granite, charred hardwood timber cladding and concrete render had the home scoring highly for visual appeal.

"HIA congratulates Brynor Constructions on this outstanding achievement," says Fiona Nield, HIA Victorian Executive Director. "A HIA Home of the Year title is something every builder aims for. So winning the award twice in two years is something truly special."

Brynor Constructions also won the Outdoor Project award, and were finalists in the kitchen and bathroom categories, highlighting the overall appeal of the home.
