

Attention

A health and wellbeing message for all our visitors and guests.

To ensure the safety and wellbeing of our colleagues and visitors we have taken steps to minimise the potential health and business impacts related to the spread of COVID-19.

In line with Government advice if you – or someone you have been in close contact with – have travelled to any country in the past 14 days, please reschedule your meeting or conduct it via phone.

If you have had close contact with a person who has been, or may have been, exposed to the Coronavirus, please advise us and reschedule your meeting.

If you are experiencing any health issues or symptoms including fever, cough, sore throat, or shortness of breath, please consider the wellbeing of others and as a precautionary measure, reschedule your meeting.

Thank you for your support and cooperation.
