

HIA Apprentice Awards Questions

You will need to answer the below questions in the online submission

1. What made you decide to start an apprenticeship and choose your trade?
2. What are some examples of job tasks you have performed during your apprenticeship?
3. Tell us about your experience as an apprentice so far and the types of projects you have been working on. What has been the most enjoyable part of your apprenticeship?
4. How do you record your daily activities? Can you provide evidence?

ACHIEVEMENTS

- > Please provide an explanation of any achievements you may have made in other aspects of your life such as in study, work, community, sports etc
- > Have you completed any extra training during your apprenticeship?
- > What are your long term goals in the industry? (aspirations relating to work in the building industry and future plans).

DOCUMENTS TO UPLOAD

- > Attach a copy of the most recent records or statement from the Training Provider
- > Upload Qualification Certificate / Statement of Attainment if applicable
- > If additional studies undertaken, please include copy of results
