For information on our forecasts by completions please contact k.lewis@hia.com.au

Regional New Home Building Projections

HIA's Regional New Home Building Commencements Projections are prepared quarterly and show the projected level of new home commencements in all regional markets of Australia. Regional New Home Building Projections are useful for those who need to know what is happening in specific geographic areas of a state or territory. The projections are provided with a five year outlook, and include historic data going back ten years.

States:

- NSW QLD WA NT
 VIC SA TAS
